YHDESSÄ MAILART

Viimeisessä uutiskirjeessämme haluamme jakaa kanssanne hankkeen tiedotustulokset kahden projektivuoden ajalta. Olemme järjestäneet työpajoja, joissa on koulutettu aikuiskouluttajia ja ikäihmisiä sekä luotu postitaideteoksia. Lisäksi olemme innolla tiedottaneet mediassa laajemmalle yleisölle. Tässä koottuna tapahtumia ja toimintoja, joihin olemme osallistuneet.

April 30, 2022 - In Erasmus+ by Isparta / Art Therapy Exercises for the Elderly: a project in Finland

The Erasmus+ project "MailArt4Seniors" is dedicated to art therapy for the elderly. With this project we intend to develop useful art therapy exercises for all those who have been isolated during the Covid period.

In particular we will focus on Mail Art, a technique that was born in the 1920s in Italy and which is based on the exchange of works of art by post.

The project will develop a lot of content that you can access for free thanks to Erasmus+:

- a MailArt guide to learn about the technique and its applications
- a training course - which can be replicated by educators - to develop Mail Art methods for the elderly
- an e-learning platform that will strengthen skills

How to do art therapy exercises for the elderly

There are many methods of promoting art therapy for the elderly. Some of these will be developed in the project. And this is exactly what we talked about at the Erasmus+ Project Meeting in Tampere. In this meeting we had the honor of having the Lithuanian Ambassador Giedrius Kazakevičius together with Taina Laaksonen from the Modus Association and project representative.
